### **2. INTERPRETATIONS OR ADDENDA**

No oral interpretation will be made to any Bidder as to the meaning of the Contract Documents or any part thereof. Every request for such an interpretation shall be made in writing to the Owner. Any inquiry received prior to the date fixed for the opening of Bids will be given consideration. Every interpretation made to a Bidder will be in the form of an Addendum to the Contract Documents and when issued will be sent to each person holding Contract Documents, but it shall be the Bidder's responsibility to make inquiry as to the Addenda issued. All such Addenda shall become part of the Contract Documents and all Bidders shall be bound by such Addenda, whether or not received by the Bidders.

Each bidder must inform himself fully of the conditions relating to the labor under which the work is now being or will be performed. Failure to do so will not relieve a successful Bidder of his obligations to furnish all material and labor necessary to carry out the provisions set forth in his Bid. Insofar as possible, the Contractor, in the carrying out of his work, must employ such methods or means as will not cause any interruption or interference with the work of any other Contractor. The Bidder to whom the award is made will be notified at the earliest possible date.

If a favorable Bid is received by re-advertising, the defaulting Bidder shall have no claim for a refund.
