Historic Preservation

16

MISSION STATEMENT: TO IDENTIFY, PROTECT, AND SAFEGUARD SITES, STRUCTURES, AND NEIGHBORHOODS OF HISTORIC SIGNIFICANCE AS A MEANS OF PRESERVING THE HERITAGE CUSTOMS, AND TRADITIONS OF THE COMMUNITY.

Objective A. Preserve buildings and neighborhoods of local, state, and national historic importance and/or architectural significance.

a. Capital Improvement

Policies

1. Rehabilitate and/or maintain the four municipal carousels to Federal Historic Preservation standards.

b. Land Use and Ordinance

Policies

1. Develop an inventory of properties having local historic significance, eligible for designation on the State and National Historic Registers, and/or architecturally significant;
2. Develop standards for the rehabilitation and improvements to designated historic and/or architecturally significant buildings;
3. Provide zoning incentives for the adaptive reuse of designated historic and/or architecturally significant buildings;
4. Designate Historic Districts with appropriate review boards.

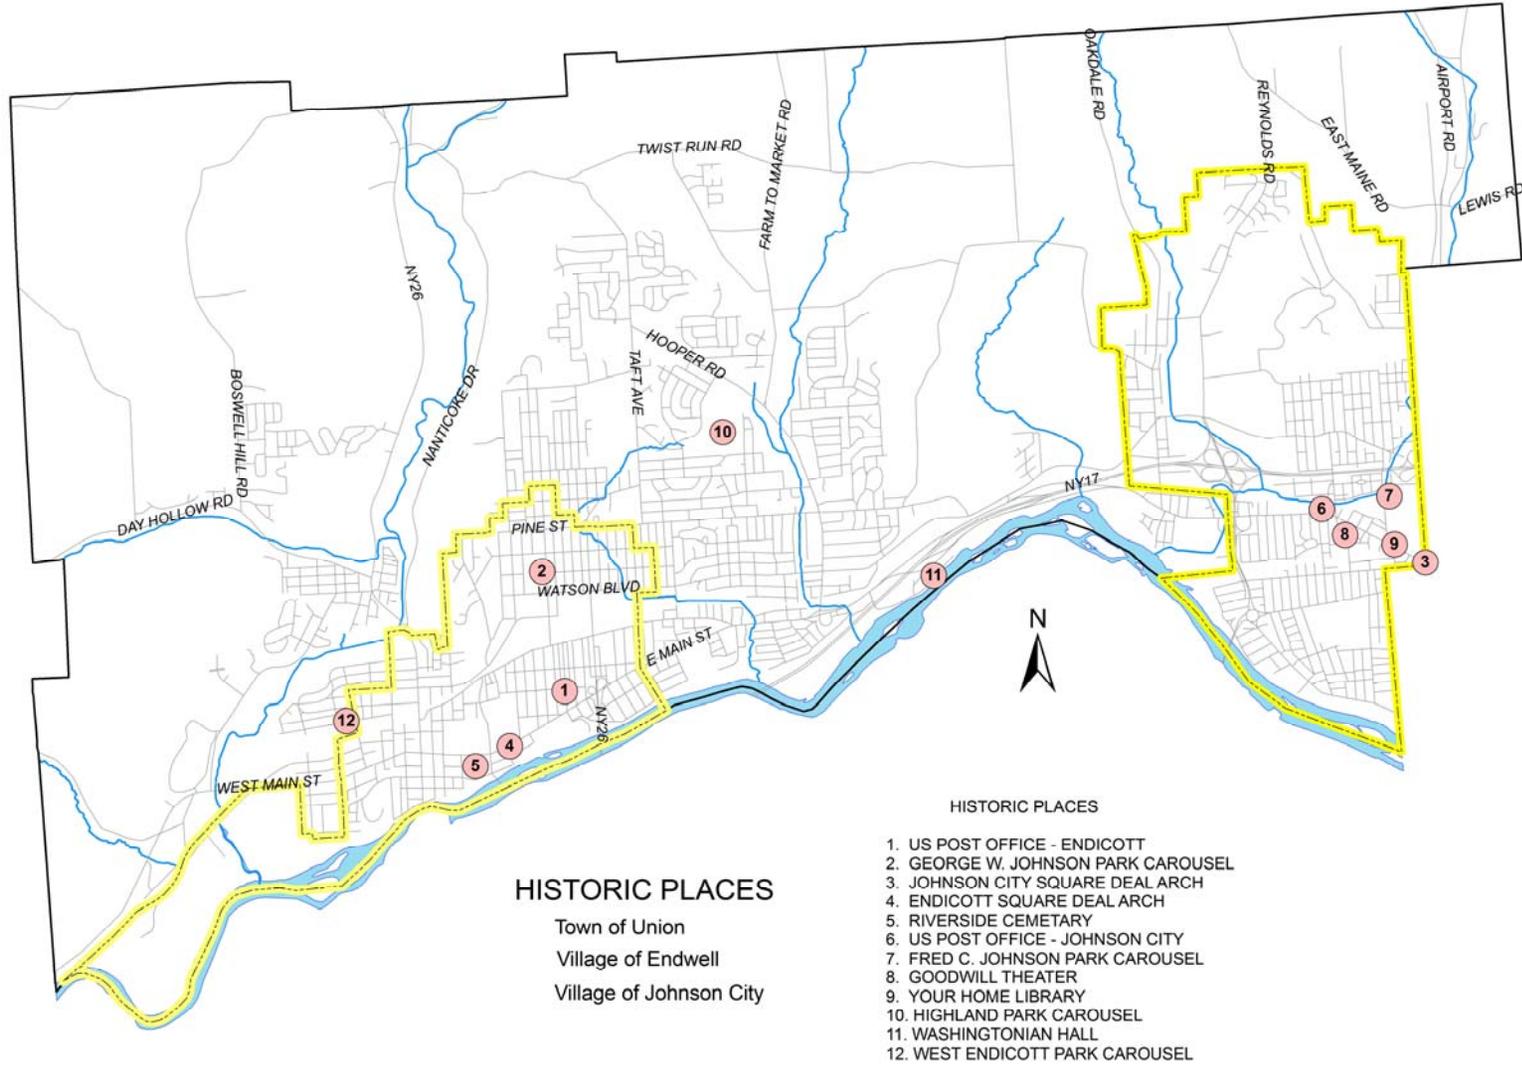

c. Service**Policies**

1. Develop a brochure that explains what the designation means and possible sources of assistance to include with the sale of designated historic and/or architecturally significant buildings;
2. Provide restoration plans and drawings, as guidelines for future improvements, to the owners of designated historic and/or architecturally significant buildings.

d. Assistance**Policies**

1. Provide financial assistance for the rehabilitation and restoration of designated historic and/or architecturally significant buildings;
2. Provide property tax incentives for improvements to designated historic and/or architecturally significant buildings;
3. Provide property tax incentives for designated historic and/or architecturally significant buildings.
