MS. MCLAIN: I will read the announcement. The Town of Union Planning Board will conduct a Public Hearing relative to a Special Permit application for development in floodplain by AES Westover, LLC for the installation of Multi-Pollutant Control (MPC) system equipment at the AES Westover generating station. The facility is located at 720 Riverside Drive, Johnson City (property tax map number 143.70-1-1.2) and is situated in an Aquifer District. The public hearing will take place on Tuesday, February 27, 2007 at 7:05 p.m. in the Town Board meeting room on the second floor of the Town of Union Office Building located at 3111 East Main Street, Endwell, New York. The application is available for review in the Town of Union Planning Department (at the address listed above) during normal business hours (8 AM to 4PM). Is there anything to add before we proceed?

MS. ELWOOD: The only thing, should we settle on the additional six inches to make that one foot above the 2006 flood level?

MR. COOPER: We will do that in the morning.

MS. MCLAIN: Are there any other questions before I close the public hearing? The public hearing is closed.

Hearing concluded 7:52 p.m.

I, KATHLEEN C. CARNEY, do hereby certify that the foregoing transcript of a public hearing of the Town of Union Planning Board is a true, accurate and complete transcript of my stenographic notes/tape taken at the above time and place.
