Instructions For Locating Parcel Information

NOTE: You must have your Internet browser (i.e. Explorer, Netscape, Firefox, etc.) **pop-up blocker turned off!**

1) Go to www.gobroomecounty.com
2) On the left hand side of the Homepage under the *Explore Broome* heading Click on the *GIS Maps* link
3) The Yes button is already selected, Click *Continue*
4) On the left hand side of the GIS Portal Page under the *Shortcuts* Heading Click on the Unified Parcel Information System link
5) Click I Agree To Terms Link
6) Click OK for the Legal Disclaimer
7) On the left side of the page under the *Primary Tools* Heading Click Search
8) Type in your last name in the *By Owner's Last Name* field and then Click the *Find* Button to search the database
9) Find your name in the results and Click the Parcel ID link (listed in blue on the left side of the Table)
10) At the top of the parcel information box, Click on *Print Parcel Summary.* This will open another box, on the top left Click File, then Click Print
11) The Floodplain information is listed under the Environmental Features Heading
