

Dear residents,

If you are trying to obtain an Enhanced Driver's License & you can't locate a birth or marriage certificate, if required, see below for help locating these records. It's much faster & cheaper if you can obtain it from the local municipality rather than going through the Department of Health in Albany.

Thank you

Town Clerk –Leonard Perfetti

Where do I find my Birth Certificate?

Birth Certificates are filed in the Municipality where you were born

Wilson Hospital- Village of Johnson City

Lourdes Hospital- City of Binghamton

Ideal Hospital- Village of Endicott

Springer Hospital or a home birth in the Town of Union-
Town of Union Clerks Office.

Where do I find my Marriage Certificate?

Marriage Licenses are filed in the same municipality that you purchased your marriage license.

If you can't locate your birth or marriage certificate in a local municipality, you can call the NYS Dept. of Health.
