

VILLAGE OF ENDICOTT

Downtown Revitalization Initiative (DRI)

Endicott has been awarded \$10 million as part of the New York State Downtown Revitalization Initiative (DRI). The Village's Local Planning Committee (LPC) will guide the planning process, which will recommend projects for State funding allocation. The public is also encouraged to share ideas to shape the Strategic Investment Plan. Anyone with a specific project in Endicott is encouraged to submit a proposal through the Open Call process.
