Evening Flood Buyout Income Verification Meeting Scheduled

(Union, New York – October 4, 2013) – Town of Union Supervisor Rose Sotak is pleased to announce that town staff will be available to assist residents in filling out the income verification forms and release of information forms on **Thursday, October 10th between the hours of 5:00 P.M. and 8:00 P.M.** The location of the workshop will held in the second floor Town Board Room, Town Office Building, 3111 East Main Street, Endwell.

The forms are available on the Town of Union website. Forms are also available at the Town Office Building during normal business hours. It would be helpful if applicants completed as much of the form as possible in advance. Applicants should also bring a copy of their signed 2012 Income Tax return and two months of current bank statements. Town staff can make copies for applicants who do not have access to a copier. Remember that household information and income verification for anyone over the age of eighteen that resides in the household is required.

It should be noted that applicants who submit the required income and household documentation and do not meet the low and moderate income guidelines will still be eligible for participation in the buyout program.
