## Project Description:

John Witinski submitted an application for a contractor's storage yard at 513 Fairmont Avenue. The property is zoned Urban Single Family and the storage facility is a legal, nonconforming use. The applicant was granted a use variance for the indoor and outdoor storage of heavy contractor's equipment. The site is located in the 100-year floodplain and a special permit for floodplain development is required. contractors storage yard in and Urban Single Family zoning district to the ZBA. The ZBA approved the variance and a Public Hearing for Floodplain Development will be scheduled at the August 9th Planning Board Meeting.
